

Do you like lively, juicy, free-flowing conversations that:

...are full of laughter & life, humour & seriousness, entertainment and enlightenment?
...expand our awareness and our understanding of ourselves and each other?
...open us up to the possibilities in ourselves, in each other and in life?

Yes? Play the game!

An Open Invitation to all Appreciation Game Players Old, New & Potential

If this is your first contact with this game checking out the [Game Overview](#) before continuing is recommended.

Currently my games are being played in the Victoria BC area (near Gorge & Tillicum) but anyone can host and play the game anywhere by downloading the current version of the “free” [Game Procedures document](#). First time Victoria area hosts are welcome to invite me to their game to introduce it to them and to their group provided we can set a mutually convenient date, time and location.

My currently scheduled Victoria area Appreciation Games are...

<u>DAY</u>	<u>DATE</u>	<u>Start</u>	<u>Arrival</u>	
Saturday	Mar. 11	7:30 pm	7:15 pm	Done
Sunday	Mar. 19	7:30 pm	7:15 pm	Cancelled
Wednesday	Mar. 29	7:30 pm	7:15 pm	

Potluck finger food and beverages of choice are welcome. Tea, juice and water provided.

These games are part of a series intended to test and improve the game with the ultimate goal of updating its [very basic, but informative, current web site](#) to a very interactive and supportive site that will inform, connect and support anyone wanting to host or play Appreciation Games anywhere.

If you would like to participate in any of the above games please [RSVP here at your earliest convenience](#) as space per game is limited to a maximum of 7 participants...and....in your RSVP please let me know...

- which game date, or dates, you would like to try the game out (or to play it again).
 - Since each of these games will have a different mix of players they offer a uniquely interesting way to meet new people.
- how many guests, if any, you will bring with you to share the experience
 - In addition to the possibility of meeting new friends through these games you can also get to know old friends better.
 - Please be sure to arrange for any guests to either be included in your RSVP or for them to RSVP directly, but not both, to avoid duplication.

I will reply to your RSVP to either confirm your choice of date(s) or to let you know which alternate dates are still available. If my reply is a confirmation it will include the game's location and other pre-game information.

2 or 3 days prior to each game I will send a Reminder email to each player.

If you would like to participate but won't know if you will be available for a date of interest until much closer to it you are welcome to call me, right up to the last minute, at 250-920-4160 to see if there happens to be space still available.

During the testing and improvement period I want to play the Appreciation Game with many different combinations of people (known, and unknown, to me) as possible. Your help in getting the word out to anyone who might be interested via personal messages sent out by email, or postings on social media, which include the game's www.AppreciationGame.ca web link would be very much appreciated.

Appreciate, be and do in joy

Bill Hanson
